

Love Spell

Timing: A Friday (anytime)

Moon Phase: Anytime from New to Full

Intention: To promote self-love, to invite more love into your life, to draw a new lover to you

Supplies:

- A pink candle
- A rose quartz crystal
- Smudging tools and a lighter
- The love tarot card or a card of Aphrodite or Venus (can print an image from the net if you don't have one)
- A handful of rose petals – dried or fresh
- Rose oil or a love potion (you can find the Wiccid love potion in my online shop or make your own)

The Ritual:

- 1) Gather your tools and set them up on your altar or a small table
- 2) Smudge yourself and your space
- 3) Cast circle or place a bubble of white light around your space
- 4) Light the candle and invoke Aphrodite or Venus (ask them to witness and bless your spell working)
- 5) Anoint yourself with the rose or love oil over your heart
- 6) Hold the crystal to your lips and chant the following:

Love, Love I call you to me

A love that is true, A love just for me

By the power of 3x3

I call love to me

This is my wish, So shall it be

- 7) Place the crystal on the tarot card and sprinkle with rose petals
- 8) Close circle making sure to thank your Goddess

- 9) For the next 6 nights light the candle, anoint yourself with the oil, hold your crystal and repeat the chant (place crystal back on card once you've done this)
- 10) When your spell is complete after the final night, continue anointing yourself with the oil and carry the crystal with you at all times.
