

Book Binding Spell

This book is mine
The content belongs to no one else
Don't even take it down off the shelf
If any should touch it, their fingers shall burn
If other eyes look upon it, they will quickly learn
To enter a witches private nook
And gaze upon a sacred book
Will bring such a person feelings of woe
Because one who lacks such respect must be a foe
You will not use my words, secrets or spells
If your gaze lands upon them, you will be repelled
This is my will and my decree
Protection is placed, so mote it be
